ART / PHOTOGRAPHY

GEO-HYPNOTICS ADULT COLORING BOOKS

Experience the Healing Power of Art! Adult coloring is being recognized for its therapeutic properties. Art may not be able to cure disease, but it can surely make coping with it a lot better. Researchers have acknowledged the therapeutic qualities of art for years, and today, art therapy is used to help people express themselves when what they're feeling is too difficult to put into words. How much more effective might it be for helping a healthy person develop concentration and mindfulness?

Art teacher and Advanced Certified Hypnotist Brian Wilkes brings you a gentle way of accessing you deeper levels of consciousness and emotion. Research shows this form of therapy often has tangible results. Art therapy is also helpful among people dealing with a variety of other conditions, such as depression, dementia, anxiety, and PTSD.

Art therapy involves using an art medium as a tool to help address a specific problem, but individuals are more artistically inclined and gifted than others. Those who pre-judge themselves as poor artists may miss out on the benefits of art-based therapies, feeling themselves incapable of starting a piece "from scratch". Adult coloring presents a beginner's level creative venture without the need for artistic talent. Simply color within the lines to get the desired effect. Mix colors as you like. As you become more adventurous, add elements to the design provided. The inability to focus is often a symptom of anxiety or stress.

Coloring gently guides one to focus on the task at hand and nurtures a relaxing mindset, similar to what you could achieve through meditation. Like mediation, coloring allows us to switch off our brains from other thoughts and focus on being "in the moment". Tasks with predictable results such as coloring can be calming. This alone can help a stressed individual who life has been an unpredictable minefield escape briefly into a predictable and controllable environment on paper. Changes in heart rate, breathing patterns and brainwaves part within a few minutes of coloring have been noted. This neurological response is attributed to the repetition and attention to patterns and detail required in coloring.

Concentrating on coloring an image allows the colorist to replace negative thoughts and images with pleasant ones. Coloring is believed to occupy the same parts of the brain as image creation, thereby inhibiting new anxiety-triggering mental imagery from being created. The theory goes that you can't build negative and worrisome images while your mind is already occupied with the creation of positive, enjoyable ones. For this reason we concentrate on geometric, non-objective images to prevent triggering past unpleasant associations.

Each paperback volume includes 25 single-sided coloring pages.

ESCAPE FROM THE DARKROOM!

Old-School Principles Applied to Modern Digital Photography

Confused by Digital Cameras? Don't Be! The manuals I created for four years of photography courses formed a solid instructional core, and have been expanded into a full book. Professionals in several states told me they've learned from my lessons. I hope you do too!

"Throw all your other books away, because this is the only one you'll need!"

CHEROKEE BIBLE PROJECT

Proceeds benefit the Cherokee Bible Project and Native American Church.

GENESIS in Cherokee, New Syllabary Only (no English)

This is the first book of the Old Testament, translated and published in 1854. The first portion of the Bible to be translated into Cherokee was the Gospel of John, Chapter 3, by John Arch in 1824. Since then, many portions of the Bible have been translated, by such scholars as Rev. Samuel Worcester, Elias Boudinot, George Lowery, David Brown, and in the 20th century by Jack and Anna Kilpatrick. The Cherokee Bible embodies the highest and most elegant version of the language, equivalent to the English of the King James Bible. The Cherokee Bible Project releases this edition in the prayerful hope that it encourages study and use of the Cherokee language. 152 pages.

Paperback \$ 9.97 [BUY NOW](#) | Kindle \$5.00 [BUY NOW](#)

GENESIS in Cherokee, Expanded Bilingual Edition

The result of our team's years of review and occasional correction of the 1856 Edwin Parker edition. Each verse is presented in old cursive syllabary, new block syllabary, phonetic, and King James English. Also included are 19th-century illustrations by the French artist Gustave Doré. Since many Cherokee language instructors are interested in re-introducing the old syllabary as a teaching tool (the characters cannot be confused with similar Latin or Greek letters), we are introducing more titles making use of it. Our prayerful hope is that these offerings encourage the study and use of the Cherokee language as well as study of the Scripture. 632 pages.

Paperback \$ 30.97 [BUY NOW](#)

JONAH in Cherokee Syllabary-Phonetic-English

In 722 BC, the Assyrians conquered the Ten Tribes of Israel. Soon after, Judah also fell victim to the power struggles between Assyrians, Babylonians, and Egyptians.

In the midst of their oppression of Israel, God commanded Jonah to go to the Assyrians capital of Nineveh and to preach repentance to them. Jonah did not want to tell the Assyrians how to avoid destruction because they were Israel's enemy. Jonah did not want them to repent and escape God's wrath, so he went west by boat toward Tarshish even though Nineveh was in the opposite direction. God showed mercy to Jonah despite the blatant disobedience. God got Jonah turned around and delivered in the right place to speak to the Assyrians living in Nineveh.

Perhaps the best lesson of Jonah is that we are always better off if we obey God instead of running from what we are supposed to do!

King James Version \$7.95 [BUY NOW](#) | Paperback \$9.95 [BUY NOW](#)

HAGGAI in Cherokee Expanded Bilingual Edition

After Persia had conquered Babylon, the king of Persia, at the request of Nehemiah, had allowed a remnant of Israel to return to rebuild the city of Jerusalem in about in 537 BC; and Haggai appeared about 18 years later. They built the walls in 52 days. Afterward they began the building of their own houses. They had left the temple, the dwelling place of God unbuilt. The people had begun saying, "It's not time to rebuild the temple". Sixteen years had passed since the rebuilding of the walls, and the temple, God's dwelling place. still lay in ruins. Haggai wanted them to see that God had given divine leadership to the obedient leaders, Zerubbabel and Joshua, whom they should follow. Although they were not an independent nation any more, they **were still God's people**. This prophecy was chosen to be the first offering in our Old Testament series because of its theme of a nation conquered and removed, coming out of its exile and captivity, and still struggling to set its priorities. We believe this message will speak loudly to Native America, especially the Southeastern nations.

Expanded Bilingual King James Version \$7.95 [BUY NOW](#)

CHEROKEE NEW TESTAMENT, New Syllabary Only

The entire 27 books in Sequoyah's New syllabary. Many of the Cherokee NT editions on the market today are scans from the old books, small blurry letters. This is a new edition in 14-pt font, clear and sharp, with over 20 period illustrations. There are also blank pages your own prayer journal or family history and tree. A true heirloom for your family! 700 pages, 7x10"

MATTHEW'S GOSPEL in Cherokee *Syllabary-Phonetic-English*

This gospel may have been placed first in the writings of the New Testament because it's considered the most authentic, systematic, and fundamental, and also because its high regard for the teachings of the Old Testament provide the best transition into the New. In a way, Matthew is written almost as a continuation of the Jewish scripture.

Paperback \$19.97 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

MARK'S GOSPEL in Cherokee *Syllabary-Phonetic-English*

Mark's Gospel is a companion to the Cherokee syllabary-only New Testament digitized and released in 2013. Mark is the shortest of the four canon gospels, written in a blunt and sometimes earthy style. Deepen your understanding of the Cherokee Bible and the Cherokee language by reading each verse in Cherokee syllabary, phonetic Cherokee, and English. 202 pages.

Paperback \$14.97 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

LUKE'S GOSPEL in Cherokee *Syllabary-Phonetic-English*

For generations, the New Testament has been used by Cherokees of all persuasions to learn to speak and write as their ancestors did. Luke is considered the most poetic and literary of the four Gospels, suggesting the author was an educated professional of the day. Tradition claims he was the Apostle Paul's personal physician, accompanying him on his travels. The Cherokee translators strove to use a level of the Cherokee language that did justice to the Greek, as they translated from the *Textus Receptus* rather than the English King James Version or the Latin Vulgate. 344 pages.

Paperback \$22.00 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

JOHN'S GOSPEL in Cherokee *Syllabary-Phonetic-English*

John's Gospel is a companion to the Cherokee syllabary-only New Testament digitized and released in 2013. Translated into Cherokee in the nineteenth century under the direction of Revs. Samuel Worcester and Elias Boudinot, the Cherokee New Testament is the largest complex text composed in Cherokee by fluent speakers with command of a high level of the language. For generations, the New Testament has been used by Cherokees of all persuasions to learn to speak and write as their ancestors did. John is generally considered the latest of the four canon gospels, written in a mystical and highly symbolic style. 250 pages.

Paperback \$18.95 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

JOHN'S GOSPEL in Cherokee *Expanded Bilingual Edition*

An expanded edition including the original cursive Cherokee syllabary, the more familiar simplified syllabary, phonetics, and King James Version English for each verse. Cherokee educators and clergy have requested volumes using the King James Version, which is preferred in many communities, and we are happy to oblige. Translated into Cherokee in the nineteenth century under the direction of Revs. Samuel Worcester and Elias Boudinot, the Cherokee New Testament is the largest complex text composed in Cherokee by fluent speakers with command of a high level of the language. For generations, the New Testament has been used by Cherokees of all persuasions to learn to speak and write as their ancestors did. John is generally considered the latest of the four canon gospels, written in a mystical and highly symbolic style. 316 pages.

Paperback \$18.95 [BUY NOW](#) |

ACTS OF THE APOSTLES in Cherokee *Syllabary-Phonetic-English*

The Acts of the Apostles describes the first decade of the nascent Christian community, and reads like a spiritual adventure story. While the four gospels speak of the life of Jesus, Acts documents the founding of His Church, as his followers stand up to the mission they have been given is considered the most poetic and literary of the four Gospels, Tradition claims the author was Luke, the Apostle Paul's personal physician, who accompanied him on this travels. The Cherokee translators strove to use a level of the Cherokee language that did justice to the Greek sources.

Paperback \$21.95 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

ROMANS in Cherokee *Syllabary-Phonetic-English*

While still in Greece, the Apostle Paul planned his first trip to the world capital, Rome. He greets 26 individuals by name, "warming up the audience" of Christians who had formed a church there so the Gospel and his mission might be better received. Paul wrote to a church that was experiencing a time of relative tolerance, but a church that he felt needed basic gospel doctrine. In Romans we see the clearest and most systematic presentation of Christian doctrine in the New Testament. Paul then backs it up with practical application. Paul challenges us to LIVE the ideals we claim to believe. 152 pages.

Paperback \$13.95 [BUY NOW](#) | Kindle \$2.99 [BUY NOW](#)

CORINTHIANS in Cherokee *Syllabary-Phonetic-English*

St. Paul wrote four letters to the new church in Corinth, an important crossroads city in Greece. These two survive. Where differences in observance of dietary rules, Paul urged everyone to follow their own consciences, with the condition that each person should have respect for the conscience of the person who does not agree with him and refrain from needlessly offending another. The Early Christian churches marked the events of Jesus' death and resurrection by sharing a common meal together. Some Corinthians failed to see the significance of this meal and made it an occasion for feasting. Paul explains that the purpose of this meal is not for the enjoyment of eating and drinking together but rather for a renewed dedication to the spirit made manifest in the life, death, and resurrection of Jesus. 232 pages.

Paperback \$18.95 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

GALATIANS to COLOSSIANS in Cherokee *Syllabary-Phonetic-English*

This group of shorter letters attributed to the Apostle Paul reveals early questions and conflicts that confused the early Christian community. **Galatians** asks, what is the relationship between the new church and Jewish Law? What was the relationship between faith and works, and which was essential for salvation? **Ephesians** presents accounts of how Paul was selected and qualified to be an apostle to the Gentiles. **Philippians** asks how one can live boldly as a citizens of Heaven while also living humbly as a servant of Christ. And in **Colossians**, where members of the congregation had incorporated pagan elements into their practice, including worship of elemental spirits, the Epistle declares Christ's supremacy over the entire created universe and its powers from the beginning. 166 pages.

Paperback \$14.95 [BUY NOW](#) | Kindle \$4.99 [BUY NOW](#)

THESSALONIANS to HEBREWS in Cherokee

Syllabary-Phonetic-English

This group of shorter letters attributed to the Apostle Paul reveals early questions and conflicts that confused the early Christian community. The Epistles were written to instruct fledgling churches around the Mediterranean, and contain straightforward answers to questions confusing the local Christians and their leaders.

First and Second Thessalonians encourage hope in the Second Coming and the Resurrection, and advise believers to “examine everything carefully”.

First and Second Timothy provide important guidelines and principles for church leadership and relationships among believers.

Titus presents the principles of Justification, Sanctification, and Glorification.

Philemon contrasts the involuntary servitude of slavery with the voluntary servitude of ministry, with the theme of eternal liberation in Christ.

Hebrews is written to Hebrew (Aramaic) speakers of Judaea, and faces hard questions about a Christian's duty to keep Jewish law - or not. 238 pages.

Paperback \$17.95 [BUY NOW](#) | Kindle \$5.97 [BUY NOW](#)

JAMES to JUDE in Cherokee Syllabary-Phonetic-English

James the Just, the brother of Jesus, wrote his letter to Jewish believers to encourage them to endure and bold embody a faith that transforms lives. For James, actions count far more than mere words or beliefs. **Peter** addresses personal holiness as God's people, even during times of suffering and persecution, teaching that all Christians are to expect suffering, even imprisonment and death. Peter explains that our salvation in Christ is secure, "for by His wounds you were healed".

John faces the threat of false teachings, including the denial that Jesus had a genuine human body. Discernment is necessary to thwart the constant attacks of heresy for John, who also makes the assurance of salvation a key doctrine. **Jude** continues the thread of challenging false or confused teachings entering the new Christian community.

For generations, the New Testament has been used by Cherokees of all persuasions to learn to speak and write as their ancestors did.

Paperback \$13.795 [BUY NOW](#) | Kindle \$5.97 [BUY NOW](#)

The REVELATION to JOHN in Cherokee

Seven-headed monsters! Dragons! Plagues of locusts! Heavily-armed horsemen! Angels with swords! And a Lamb.

The Revelation to John so strikingly different from the rest of the New Testament, that it almost didn't make it into the canon. Many denominations recommend against studying this book without the guidance of clergy, since its images lend themselves to wild and varied interpretation.

Rather than a sermon, history, narrative, or instructional guide, Revelation is a long mystical vision, something very familiar to indigenous peoples worldwide. As one of the Keetoowah Elders said years ago, having a vision is easy, understanding it is harder, and following it may take the rest of your life. Does John's vision show something that happened in the distant past, in John's own lifetime, or something yet to come? The scholars and mystics have claimed to see the numbers and symbols in Revelation in traumatic events in ancient and modern history. With striking illustrations by Albrecht Durer and Gustave Dore, you'll return to this volume time and time again - and see something new with each visit.

BUSINESS and WORKING FROM HOME

HYPERINFLATION: Prepare For The Coming Dollar Collapse

The worst of it is over of the 2008 Financial Crisis is over, right? WRONG! Government fiscal policies, fueled by almost a half-century of pointless and expensive wars fought on credit will reap disastrous consequences for the each of us by the end of this decade. The US government spends too much, does not collect enough money to pay its debts, and has a currency backed by thin air - debased farther by the debts of an unpopular war. Americans from all walks of life will face a crushing consequence as Ho Chi Minh, Saddam Hussein and Osama bin Laden have their revenge. While the changes necessary to prevent hyperinflation and the collapse of the dollar are in the hands of bankers and lawmakers "above our pay grade", average Americans CAN prepare themselves for the coming storm. Simply presented in layman's terms, **Hyperinflation** explains how we got into this debacle, and what happens if We The People don't get our nation out of it .

SACRED CACAO: Food of the Gods

Perhaps MORE than you ever wanted to know about the history and lore of this plant medicine so crucial in the human experience. Cacao and chocolate since ancient times have created a connection between the natural and supernatural, between the human and the divine. It is called *theobroma*, “Food of the Gods”, and it is said to come from the rain forest when it is needed to restore harmony. The pre-Columbian cacao trade brought the rise of a wealthy class of seagoing merchants, with a trade calculated in cacao beans. At various times it has been forbidden to children, to women, to commoners, and yet this divine medicine may unify diverse people to bring a global spiritual awakening.

DEFEAT THE ENEMY WITHIN *by Dr. Charles Wm. Skillas*

He's hunted Soviet submarines, walked the corridors of power in Washington, helped create government agencies, and has done business in foreign capitals. Now, Dr. Charles Skillas applies the same technology principles to unmask the real sources and causes of subconscious sabotage, where the terms defense, intelligence, and foreign attachment take on very different meanings. Using his own life and healing as an example, Dr. Skillas deftly transfers his defense technology background to his new career of clearing the submerged minefields of the psyche. Dr. Skillas draws on his defense industry background and 23+ years experience as a hypnotherapist to blend traditional hypnotherapy, past life regression, spirit attachment, Chinese herbal and energetic medicine, and the underlying wisdom of diverse world cultures to banish the inner shadows that keep you in misery.

SONGS FROM HEARTS SINCERE:

Inspirational Poetry of Emperor Meiji and Empress Shoken

by *Frank Alanson Lombard, Brian Wilkes, translated by Shigeki Yamada, Cesar D. Lopez*

While creating curriculum for university degree programs in Reiki, I studied the archived by the Meiji Shrine at Shibuya, Tokyo, Japan. More of a religious leader than modern political chief of government, in the late 19th century the emperor expressed his wishes through poetic statements more often than through direct commands. In this way, he sought to bring the audience into harmony with his own mindset, and thereby let it arise in minds of the subjects what might be expected of them.

The first generation of the discipline we know as **Reiki** was deeply influenced by the *Gyosei* poetry of Emperor Meiji. Recitation of the imperial poetry was routinely practiced by Reiki practitioners in Japan as a core element of the art.

I sought the aid of two Japanese language instructors, Shigeki Yamada and Cesar D. López, to re-create the original poetry as it was written, in a combination of kanji ideograms and hiragana phonetics, while taking advantage of modern digital technology to provide clear, legible materials. In a few cases his late-Edwardian style was updated to allow for smoother reading.

BACKROAD MELODIES: New Poetry and Essays

by *Robert Yehling*

In this new collection of more than 50 poems and essays, Robert Yehling returns to a prime source of inspiration and fulfillment – the back roads. Blending challenge with adventure, and natural observation with awakening, he uncovers the textures, rhythms, loves, tears, laughs, and ever-renewing cycle of life off the beaten path – visiting a few cultural icons along the way. *Backroad Melodies* reminds us of those treasure-laden roads deep inside ourselves that we all too rarely explore.

“With clarity of thought and mastery of word order, Robert Yehling alarms the conscience, stimulates the brain, tugs at the heart, and tickles the funny bone—all to excess.”

—Charles Redner, poet, author, publisher of *The Hummingbird Review*

100 DAYS OF INDIGENOUS WISDOM

Years ago, I began collecting and recording the sayings of those who shared their knowledge with me. Most of them have made their crossing now. To us, that doesn't mean they're gone, it must mean they don't always answer the messages we leave. This first offering concentrates on Cherokee language and teachings. I am indebted to the teachers, friends, and ceremonial leaders who have shared so much with me. When you reach the hundredth teaching, go back and start over, and see what may have changed in your understanding and experience. It is my hope that this book stimulates study of Cherokee and other indigenous languages, and encourages each of you to speak with your Ancestors while they still walk among us.

EVEN HEAVEN FALLS APART: Cherokee Cosmology

Each oral traditional story is understood to have deeper and deeper layers of meaning, unlocking the history of our interrelation with other nations (human, plant, animal, and angelic). Our stories also reveal deep meanings about the nature that surrounds us, and the nature of our own psyche, which is also revealed in the Calendar. While it has fallen into disuse, replaced by the modern Gregorian calendar, there IS a traditional Cherokee calendar. Some nations keep detailed prophecies extending into the 26th century. There is even a predicted Seventh World! Many of these prophecies have a time component that can be understood only through the Calendar.

THE EIGHTH ARROW by Dr. Donald N. P. Yates

The Tihanama Nation has probably escaped your attention. That was their plan. One of the last migratory tribes in North America, they ranged from the Great Lakes to the Florida Panhandle. Their language is an isolate, unrelated to the languages of surrounding nations. You may have heard it in the song "Wendeyaho", commonly but mistakenly called the "Cherokee Morning Song". And yet, as a trading people who interacted annually with dozens of other nations between the Mississippi River and the Appalachians, their story and traditions provide the "missing link" that will change your understanding of and appreciation for the depth of Native American wisdom teachings. We believe **The Eighth Arrow** is the most comprehensive look at these people, their language and traditions yet published.

ANCESTOR HONORING CEREMONY

by Joyce Rheel & Brian Wilkes

As America increasingly becomes a throw-away culture, it becomes increasingly important to preserve our Ancestors' traditions, whatever their ethnic origin. If we lose them, not only was our Ancestors' learning in vain, but we also mark ourselves for disposal in the near future. By sharing in the traditions of our Ancestors, we gain a sense of continuity with them. Within family, ties of love should be especially deep, and honoring one's own family gives one the solid foundation from which to extend that love to clan, nation, community, world, and across barriers of species. In this short book, the authors present several Native American patterns for Ancestor Honoring, and encourage the reader to revive such practices within his or her own family.

PET CARE and TRAINING

PREPARING YOUR PETS FOR EMERGENCIES AND DISASTERS

by Joyce Rheel

NATURE has her temperamental days resulting in disasters - everything from flooding, earthquakes, tornadoes, hurricanes, fire, and blizzards - terrorism, wars, nuclear accidents, and chemical and oil spills. Being prepared for evacuation for you, your family and animals in the wake of disasters will mitigate the impact and havoc disasters create. The most important aspect in this preparation is to **include your animals and avoid leaving them stranded** in the event of any disaster or evacuation. Do not wait until it is too late! Many times people are forced to leave their homes on short notice, for either a few days or for weeks at a time. Even gas leaks and flooding can keep owners from returning to tending to animals for weeks. Use Preparing Your Pets For Emergencies and Disasters to prepare YOU to take your animals to safety. We can prepare ahead of time so that we can leave quickly if needed, and this preparation must include the whole family, including the animals. You wouldn't dream of abandoning your human children in a disaster; you don't have to abandon your fur children either!

STRANGE AND SUPERNATURAL

DRACULA DIARY: Reawakening Your Inner Vlad

One of history's great survivors - how do YOU compare? Life in Dracula's day was hard, brutal, and often short. His own father gave him over to the Turks as a child hostage, then took a course of action almost certain to get him killed. His father and elder brother were murdered, his younger brother had shifting loyalties. Dracula's reputation for brutality led to him being considered a match for "Blood Drinker" Sultan Mehmed II, and may have led to the rumor that he was a blood-sucking vampire. It's not politically correct to point out today, but sometimes your best bet for survival is making it clear that you are very able and very willing to kill anyone who crosses you. When the Christian world was threatened by violent Muslim psychopaths, Vlad outdid them in butchery. In a world that once against feels battered by waves of Muslim violence, Vlad approach finds a new audience. Let's be honest: one reason that vampires appeal to the popular culture is because they refuse to take the abuse we ourselves feel powerless to resist. Kill them - if you can! - and they just come back at you again. Vlad Dracula was defeated, decapitated, burned to ash - and still influences politics and pop culture six centuries later.

YOUNG READERS

BIBLE STORIES for Children

The Savior spoke to His audience at their level of sophistication. To the religious leadership of His day, he quoted Holy Scripture. To Pilate, He spoke of law and the underlying nature of truth. To the common people, He spoke in common terms, and quoted popular folk sayings. We each have our own learning styles, and varying ability to grasp the messages. Great dramatists layer their works so there's something for each level of understanding, from those who understand symbolic language and allegory to those who only perceive an action story. How much better, then, does The Lord know that not all have the same spiritual capacity or insight. In that spirit, we offer the children the warm, sweet mother's milk of these simply-told Bible stories, in the earnest hope that the listener and reader are built up and strengthened for the New Life.

STORIES of OLD KENTUCKY

This subjective compilation of a late 19th century West Kentucky educator gives fascinating insights into a devastated area's attempts to reinvent and redefine itself and raise a new generation with stories of heroism and regional pride. The accounts start with Kentucky still on the ocean bottom, and continue through the end of the Civil War. Purcell and Wilkes taught in the same school districts, but a century apart. To the 21st century reader, Manifest Destiny, the War Between The States, "darkies" and "barbarous savages" are shockingly "incorrect", and yet Purcell follows the best scholarship of her day to present the scale and scope of Native American monuments and constructions. Intended for secondary readers, history is retold as a series of daring adventures, with all of the recurring characters of Kentucky history.

THE SNAKE DOCTORS

When you see dragonflies gather, there may be snakes nearby - watch out! Everyone has their own talents, their own "Medicine". Our Medicines may change over our lives. Once you give up some part of you, even if you didn't mean to, you may not be able to get it back. **The Snake Doctors** teaches us not to try to be something we're not, especially to impress somebody else. I teaches us that we can recover from our own problems by finding somebody else who needs our help. And remember - if you do something on a DARE, you may be sorry!

THE DOG THAT SAVED HUMANITY

Why do dogs love us so much, and why are they willing to risk their lives to rescue us? In this richly illustrated book, Joyce Rheal and Brian Wilkes retell the ancient story of the dog who warned humans of the Great Flood that was on the way. Native American teaching stories are often linked to specific locations, and this one is linked to a specific mountain in Tennessee, where the Ark came to rest, and where the survivors erected a 16 foot tall stone dog to remind them of the event. This book explains some of the deep connection between Southeastern Nations and their beloved dogs. A fun book you'll share with your children and grandchildren over and over!
